HALIBURTON — ONTARIO THURSDAY, FEBRUARY 29TH, 1968

THIS WEEK'S PRESS RUN—2347

Established in 1882 as the Minden Echo & Haliburton Recorder

Snowmobile Jamboree A Huge Success

The First Annual Jamboree of the Haliburton Highlands Snowmobile Club got off to a great start on Saturday afternoon with a safari led by Frank Roberts. The three and a half hour trip was thoroughly enjoyed by all who participated. The safari returned by 5.00 p.m. which gave everyone loads of time to prepare for the evening Jamboree Dance.

A very enjoyable time was had by all who attended the dance, which claimed a turn-out of over 150 people. At the end of the dance President Ron Grant outlined the coming events for the next day.

On Sunday a safari left the Fairgrounds and travelled across country to the Haliburton Lake Centre where they were joined by another safari to make a total of 83 machines, with visitors from Minden, Apsley, Toronto, Peterborough, Buffalo, N.Y., Lindsay, Hamilton, Wilberforce and numerous other communities.

Trip Chairman Pat Hucal graciously donated the use of his buildings and grounds for the gala occasion, and played host to over 180 guests

Social Chairman Gary Agnew presided over the entire affair with his usual calm confidence.

Safari leaders for the various trips were Perk Whittaker, Joe Iles, Buck Baker, Perc Lymburner, Jack Hunter and Pat Hucal.

Special thanks go to Club members Jack Hunter and Perc Lymburner who gave extra help throughout the entire day.

The Haliburton Highlands Snowmobile Club is deeply indebted to their good friends and neighbours from Wilberforce.

The Monmouth Volunteer Fire Department (Wilberforce) donated and delivered their new barbecue; this fabulous piece of equipment produced over 100 pounds of beef, turkeys, chickens and pork. Many thanks to Keith Tallman, Clark Lindsay, Gary Agnew, Bill Boomhour, Bessie Croft and Adele Barnes of Wilberforce who helped set up tables, barbecue and served food throughout the day. These friends from Wilberforce donated their time and services, though many are not members of the Haliburton Club. This is a perfect example of how two communities co-operate and aid one another.

The close of a memorable weekend came about 6:00 p.m. on Sunday when guests began the long trek home.

Haliburton Club members Buck Baker, Ron Grant, Jack Lumb, Joe Iles and Bruce Henry left by snowmobile shortly after 6:00 p.m. with Wilberforce friends Keith and Karl Tallman, Jake Mather, Blake Barnes and Mel Croft, as the Haliburton fellows were to guide their companions home to Wilberforce. Just beyond the head of Miskwabi Lake the fellows from Wilberforce decided that they could make it alone the rest of the way, as they then reached familiar territory. Unfortunately we learned (the following day) that the boys got lost for a few hours. Don't worry, fellows, the next time we will take you all the way home. At the time of writing we understand that the lost snowmobilers finally made it home.

The First Annual Jamboree was a success and plans are presently in progress for a bigger and better Second Annual Jamboree next year.

HALIBURTON NEWS LETTER

The building which at one time was known as Curry's Shell Service and later became the headquarters for Burke's Taxi is being torn down, and we are informed that a modern dairy bar will be erected on this site.

* * *

Last weekend was very spring-like weatherwise, and it was very busy as we had two dances, a hockey match, a very fine evening's entertainment provided by the local Glee Club, and a Snowmobile Jamboree. All of these events were well patronized, and they also were successes financially. Of course at this time of year the weatherman can either make you or break you.

The Haliburton United Church have not only renovated and brightened up the Auditorium and Church Hall, but they have brightened up the Sunday morning service as well. At 10:30 a.m. prior to the regular service the congregation are permitted to participate in a period of music and singing. This new innovation has apparently found favour with the congregation as attested by the well-filled Church on Sunday morning last.

* * *

For all who are interested, and surely that should mean the most of us, there will be a public hearing at 4 p.m. in the Royal Canadian Legion Auditorium on Monday, March 4 regarding the proposed sewage works for the village of Haliburton.

The Pancake Supper held on Tuesday evening under the auspices of the A.C.W. of St. George's Anglican Church had more patrons than usual, thus enabling the ladies to make another substantial contribution to the Building Fund. A lot of time and hard work and effort is expended to provide such an event as this, and it is heartening to see it so well patronized.

Welcome To The Wilberforce Snowmobile Scenic Tour

All roads will lead to Wilberforce this Sunday, March 3 for the Third Annual Snowmobile Scenic Tour.

This event, which is sponsored by the Monmouth Volunteer Fire Department, is by far the biggest and best snowmobile event held in Haliburton County. In other words its the "Daddy of 'em All".

Wilberforce, which has been billed as the Snowmobile capital of Ontario, is located on Highway 643 in the Eastern Highlands of Haliburton County.

All those who attended the two previous tours came back filled with excitement and claimed that it was by far the highlight of the snowmobile season.

The tour is scheduled to leave Wilberforce at 11:00 a.m. sharp, and preceeding this coffee and do-nuts will be served from 8:00 a.m. to 10:45 a.m.

Midway through the tour in the afternoon a special snack will be held at the Half Way House, and it will consist of Hot Dogs, Coffee, Hot Chocolate (for the kids) and Home Baked Beans.

For supper it will be Bar-B-Que Beef and Chicken, Baked Potatoes, Peas, and luscious Home Made Pie topped with Ice Cream.

The registration fee is $5.00 per person. This includes the arrival snack, noon-day snack, supper at night and a crest.

Go where the fun is, go to Wilberforce this Sunday, March 3. You'll be glad you did!

Mary Agnew Wins In Public Speaking

The Haliburton County Elementary Public Speaking Finals were held at the Lakeview Public School last Friday, February 26. Mary Agnew, the Wilberforce representative, whose subject was "Yellowstone National Park" was judged the winner amongst the seven contestants.

All the children had made an excellent effort and the audience of approximately thirty people found the evening most interesting.

Businessmen's Executive Meeting

A meeting of the Haliburton Businessmen's Executive was held on Wednesday evening last. Among matters discussed were increased police protection, the need for industry and what could the businessmen do to aid our Industrial Commission in an effort to secure an industry here that would employ from 50 to 100 workers.

The hearing for a sewage system, which is to be held in the Royal Canadian Legion Hall on Monday, March 4 at 4 p.m., was discussed and it was decided to urge all businessmen and other interested citizens to be present.

Efforts to place a distinctive sign at the approach of our town are not meeting with much success, and the same goes for the matter of clearing out the channel between Head and Grass Lakes.

These problems and other matters will no doubt be brought up before the General Meeting which is to be held in April. We are of the opinion that businessmen might also go after the Department of Highways to provide a better highway into our County than the present one extending from Norland to Haliburton County.

To Feature Print-making

The evening of Saturday, March 2 promises to be an exciting one at the Haliburton School of Fine Arts Art Center, when a demonstration given by Mr. Karl Hanke on lino-printing will be followed by films on that subject.

Many people who have only known Mr. Hanke for his pastel scenes of Haliburton will be surprised to see him work in a different media. His experience in block-printing is extensive, as has worked for 20 years as a graphic artist both in Germany and Canada. Many of his works during this time were done with lino-block.

The timeless art of print making will be shown in the film "Fantasy of the Print". This explores all phases of print making.

"Eskimo Artist - Kinojuak" shows the sources of this Eskimo girls' inspiration in the strange world where, in the Arctic twilight, snow, sky and air throng with shadows and her words to give further meaning to her images.

"At the Turn of an Age" presents the work of the Ronaisconce master Hans Holbein, in an exciting new light through the unique use of the trick photography of the camera.

The evening's program will start at 8:00 p.m.

Concert Audience Greatly Impressed

When the men of the University of Toronto's Hart House Glee Club left the Auditorium of the Haliburton Highlands Secondary School on Friday evening after a brilliant performance, they also left behind a significant number of new admirers.

This was their first appearance in the Haliburton area, and for the audience of almost 300 it proved to be a memorable introduction to this famous Canadian choral group, under their talented young conductor, Walter H. Barnes.

Mrs. James Wade of Minden, whose brother is Secretary of the Hart House Glee Club and a valuable member of the singing group, gave a fine introduction which included a brief history of the choir.

The concert began and ended with a spirited rendition of the traditional song "Gaudeamus Igitur". The first half of the programme, with its 16th century masterpieces of Latin settings by Tye, Arcadelt, Palestrina and Byrd, its "Swingle Singers style" arrangement of the best known sections of Bach's "Sleeper Wake", and the two examples of Russian church music, provided a golden opportunity on the part of the audience for a delightful and well-performed short course in music education.

The Glee Club proved their extreme versatility when, after the intermission, they laid aside the respected works of the old masters and turned to music of a lighter nature, which they handled every bit as admirably. Their humorous arrangement of "Jingle Bells", "Black Fly", "De Animals" and "The Flowers that Bloom in the Spring", as well as the negro spiritual "King Jesus Is A-listenin" were all received with delight by the audience. The concert ended with works by two contemporary composers, the "Song of Peace" by Persichetti and "Laudate" from the Christmas Oratorio of Honegger.

The enthusiasm of the audience was rewarded by an encore of Mr. Barnes' musical version of "The Skidoo", a dashing Russian winter carol. In response to the continuing ovation, the Glee Club performed a second encore of "Gaudeamus Igitur", thus bringing to a close an outstanding performance.

The Glee Club left on Saturday for concert performances in Ottawa, Kingston, the University of Guelph, and back to the Great Hall of Hart House.

Students Go To Belleville

Three students from the Haliburton Highlands Secondary School, Allison Brandon of Grade 10, Miles Morrison of Grade 11, and Rosemary Elstone of Grade 12, were guests of teachers Mr. and Mrs. Harvie Armstrong last Friday at dinner in Lakefield, and then on to the Peterborough County Public Speaking Finals of the contest sponsored by the Ontario School Trustees and Municipal Councillors' Association, and the Hydro.

They were invited by Dean Smith of Lakefield College School because they were winners of our own Haliburton County contest held last November. They observed winners from the City of Peterborough, Crestwood District High School, Lakefield District High School and Lakefield College School.

On Friday, March 1 our County winners will go to Belleville to compete with other county winners in the Zone 9 Finals. Allison Brandon will deliver a prepared speech and Myles Morrison the impromptu, representing the Haliburton Highlands Secondary School.

We wish these young people the best of luck.

Library Board Holds Meeting

A duly called meeting of the Haliburton County Public Library Board was held on Thursday, February 8, 1968 at 8 p.m. with P. Neville, E. Bursey, E. Hewitt, R. Brohm, D. Russell and N. McNeill, Secretary, present.

Moved and seconded that the minutes of meetings November 23 and December 7 be adopted as read. Carried.

A resume of past activities and procedures was given by N. McNeill, the Board's Secretary.

Moved and seconded that Mrs. P. Neville be our Chairman for 1968. Carried.

Moved and seconded that Mrs. E. Hewitt be our representative on the Regional Board for 1968 a letter of Authorization to be sent to the Regional Director Carried.

Moved and seconded that this Board go on record as authorizing Mrs. Hewitt to present the following recommendations to the Regional Library Board on February 17 if possible: A meeting of the librarians of those boards which appoint a member to the Regional Board to consult with the Regional Librarian about the future development in this system which means much to us all; An encouragement grant should be paid to Haliburton County Public Library as to some other boards because we

Huskies Bow Out

The hockey season as far as the Haliburton Huskies are concerned ended on Saturday night at the Haliburton Arena when they dropped the seventh and deciding game of the Central Ontario Junior 'D' O.H.A. Play-offs to the Woodville Maroons by the close score of 3-2.

The Huskies took the first two games of the series and then led three games to one, and all they needed was one more win to sew it up but it just wasn't to be. This is third year in a row that the Haliburton Huskies have been unable to beat the jinx of getting past the first play-off round. This year they came close as they had the Maroons on the ropes, but they just couldn't knock them out.

The Woodville team seemed to pick up momentum as the series went along and on Saturday night they just weren't to be denied.

Playing before a home crowd of well over 600 fans, the Huskies pulled out into a 2-0 lead in the first period on goals by George Simmons and Larry Sawyer. They were able to hold this lead until midway in the second period, when Woodville scored their first goal. If the locals could have added that third goal before the Woodville club scored they might have gone on to win.

The winning Woodville team tallied the tieing goal at the 7:00 minute mark of the final period, and they then went ahead to stay five minutes later on a goal by Larry McNealey. Huskies Coach Scottie LaRue pulled Martin out of the net in favour of an extra forward with one minute left to play but they didn't have a real good scoring opportunity in the sixty seconds.

After the final buzzer had sounded the Woodville supporters who were out in great numbers took to the ice to congratulate their heroes, and they carried their goalie off the ice on their shoulders.

SUMMARY

1st Period

Haliburton - Simmons, Hewitt, Robinson - 1:55

Haliburton - Larry Sawyer, Morrison, Roberts - 12:27

2nd Period

Woodville - Bell, Chapman - 10:50

3rd Period

Woodville - Bell, Stephens - 7:18

Woodville - McNealey, Bell - 13:16

ICE-CHIPS:

Woodville also won the sixth game played in Cannington last Friday night by a 6-4 score.

The final game produced a total of ten penalties, with each team receiving five.

The Huskies defence ace Mike Easton had his injured ankle frozen before the game, but he re-injured it again in the first period; when he left the ice the team seemed to sag.

Larry Martin proved once again why he had the best goals against average during the regular season when he played an outstanding game in the Haliburton net.

Lloyd Gilliam, the local O.H.A. Convenor, was the lucky winner of the Turkey Draw.

The Woodville Maroons now play the Bobcaygeon Ti-Cats in the best of seven series of the Central Ontario Junior 'D' O.H.A. Play-offs.

Bantams Win First Game At Orono

The Haliburton Bantams won the first game in the best two out of three O.M.H.A. Play-off series with a 3-2 victory over Orono at the Orono Arena on Tuesday night.

The game which was very close throughout saw the first period end in a 1-1 tie. The second period ended 2-2 and it was still 2-2 at the end of the third period, forcing overtime.

At the 7:00 minute mark of the overtime frame Paul Dawson scored the winning goal and the local Bantams held on for the remainder of the overtime frame.

Larry Scheffee and Peter Lymburner were the other goal scorers for Haliburton.

The second game of the series will be played at the Haliburton Arena tonight (Thursday) at 8:30 p.m. Come on out and cheer the Bantams on to victory, as they are the only Haliburton team left in the O.M.H.A. Play-offs.

Huskies Wait For Next Year

The war is over and the battle has been lost. Yes, the Haliburton Huskies Junior 'D' hockey club, for the third year in a row, have been unable to get past the first round in the play-offs. The team gave it a real try this year but they just couldn't get by the Woodville Maroons in a series that went right down to the seventh game when one goal in the final contest decided the affair.

Once again it was disappointment for Coach Scottie LaRue and Manager Albert LaRue and the remainder of the Huskies' management and players. Earlier in the series it looked as though the Huskies were going to get around Woodville but it wasn't in the cards.

In another year adjustments will have to be made if we are to go on in the play-offs.

To the management and players we say thanks for supplying us with a thrilling season of hockey, and we wish you all the best of luck next year.

Attention Ski-Dooers

On Saturday evening, February 24 a small hand sleigh was removed from our property behind the Haliburton Highlands Secondary School and Grass Lake. The sleigh has been in the family for over 40 years and any information leading to its return will be appreciated.

Donald J. Flinn.

Little NHL Tournament Held Here

The Haliburton Arena was a bee hive of activity last Saturday as eight games of Little N.H.L. hockey were played to declare the winners of the Northern Area in Novice C and Bantam C age groups. These winners will meet the Southern Area champs this coming Saturday in Little Britain, with the Ontario Finals being played in Bobcaygeon during the week of March 18 to 23.

The first game started off at 8:00 a.m. with the Haliburton Bantams hosting the Minden Bantams. Haliburton got off to a fast start with two early goals by Cameron Botting and Roger Bain. The Minden defence then tightened, and Haliburton needed two third period goals by John Wilson to overcome Minden by a 4-2 score.

In the second game of the day John Curry's Haliburton Novice squad showed that hockey games are won by a great deal of hustle as they overpowered the Bobcaygeon entry 5-0 on goals by Wade Stamp with two, while singles went to Junior LaPorte, Hugh Nichol and Tim Bain. Miles Maughan displayed magnificent form in goal, turning aside many close-in drives to earn his shut-out.

The next two games saw the Bobcaygeon Bantams defeat the Fenelon Falls Bantams 3-2 and the Fenelon Falls Novices winning over Minden by a 5-2 count.

Noon hour saw Mark Scheffee and his efficient staff of volunteers feed over 175 chicken dinners to players and spectators.

The Bantam Consolation game started at 12:30 and Fenelon Falls turned back Minden by a 9-1 score. The next game for the Novice Consolation was a close contest with Bobcaygeon edging Minden by a 2-0 margin.

The seventh game of the day was to declare a Bantam Champ for the Tournament. The Haliburton Bantams came out eager for a win as Cameron Botting playing some good two-way hockey, scored the first Haliburton goal, and it looked as if the Haliburton team would take control of the game. John Wilson, who had starred in the morning game, beat the Bobcaygeon netminder with a rising backhand shot to give Haliburton a 2-0 lead. Bobcaygeon played determined hockey over the last two periods, and although Roger Bain scored a third Haliburton goal on a perfect setup from Paul Dawson the game was tied up late in the third period by Bobcaygeon. Five minutes of overtime was played without either team scoring. Paul Dawson who played standout hockey in both games seemed to mesmerize the Bobcaygeon forwards with very aggressive play on defence, and Dennis Good, in goal, handled every shot perfectly in the overtime. After the five minutes of scoreless hockey a sudden death period began and the tension among the large group of spectators grew. Both teams showed near professional style as they battled, but a quick burst of speed Cameron Botting split the Bobcaygeon defence and took a quick wrist shot that the goalie partially blocked and watched it trickle over the line. Final score Haliburton 4 Bobcaygeon 3. All the winning prayers received crests and Captain Paul Dawson accepted the winner's trophy.

The last game started without a spectator leaving his seat as the Haliburton Novices and Fenelon Falls Novices excited everyone with end to end rushes. Haliburton again showed that our new Arena is beginning to prove "practice makes perfect" as they won by a 3-1 score. In this game Wade Stamp displayed great puck control as he scored two goals after Tim Bain put Haliburton ahead 1 to 0. Miles Maughan in goal ended the tournament having only one shot get behind him for a splendid performance. The winners were presented with a trophy and a crest for each boy.

Both Haliburton teams were Champs of the day but the most impressive point of the whole tournament was the display of sportsmanship shown by the boys of all eight teams competing.

The Minor Hockey Executive wish to thank everyone for volunteering their services for the day. Without this the tournament could not have been the success it was.

Larry Martin Wins Hockey Trophy

Larry Martin of the Haliburton Huskies Junior 'D' club, who has been rated as the best netminder in the Central Ontario Junior 'D' Hockey League this past season, was rewarded for his efforts on Saturday night when he was presented with a trophy for having the best goals against average of any goaltender in the league during the regular schedule.

Larry Martin finished the league schedule with 94 goals scored against him in 24 games for a 3.92 average.

In making the presentation, Mr. Lloyd Gilliam of Lindsay, local Central Ontario Junior 'D' O.H.A. Convenor, said that it was indeed a great honour and privilege for him to present the trophy donated by Dr. W. D. Thomas of Bobcaygeon, in memory of the late Mel Junkin, a former sports gentleman from Bobcaygeon. The trophy will be presented yearly as long as the Bobcaygeon team is in this group.

The presentation of the trophy was made between the second and third periods.

The Echo extends congratulations to Larry for his outstanding achievement.

He Always Says What He Thinks

Some people hesitate to say what they really believe. But not Bill Smiley. He's not one to think one thing, say another.

That's why you can count on his column, every week in this newspaper, to take a stand that's either opinionated, controversial or even irreverent—but always original.

Bill Smiley is Canada's most widely syndicated newspaper columnist. He's 44, has a wife, two children, and a mortgage. He once published a weekly newspaper, but is now a high school teacher—which he compares to working in a steel mill.

If you appreciate candid commentary on things Canadian, stirred with a dash of humor, a good measure of healthy scepticism and a perceptive understanding of your fellow man, you probably already read Bill Smiley's column. If you don't, you should. Look for it every week in

WILBERFORCE

Mr. and Mrs. Albert Sanderson and sons of Dunsford visited on Sunday with the former's parents, Mr. and Mrs. E. M. Sanderson.

On Wednesday evening Mr. R. H. Anderson Jr. of Tory Hill and Mr. T. E. Deterling attended a regional meeting of the Association for the Mentally Retarded held in Trafalgar School, Peterborough. All Associations in Region 9 were represented, including the newly formed Association from Port Perry and district.

The Executive of the Wilberforce Branch of the Canadian Red Cross Society met at the home of the President, Mr. Kenneth Sanderson, on Thursday evening last. Plans were made for the campaign which will be carried out in March.

Monmouth Community Center is the focal point of much activity, as the members of the Monmouth Figure Skating Club prepare for their Annual Carnival which will take place on Friday March 1.

The young people of the community have formed a Curling Club and they meet at the Arena two evenings a week to enjoy this healthy sport.

The younger boys are interested in hockey, and several teams hold practices and games every week.

The Public School pupils under the able supervision of Mr. Roy Hoare, their Physical Education teacher, enjoy skating in the Arena every Tuesday afternoon.

Who Cares

Well, well, said I
To the passer-by,
"What a fine day
Its going to be";
"Maybe not", said he,
"For you can never tell
Just what the . . . .
Its going to be".

"True, very true", said I,
"But look at the sky,
Not a cloud to be seen
As yourself can see";
"Yes, you're right", said he,
"But again you never can tell
Just what the . . . .
Its going to be."

"Aw, who cares", said I
To the passer-by;
"Not I", said he,
"Nor me", said I,
And so we let it be.

Dick Austin.

Letters To The Editor

The Editor,
Haliburton County Echo,
Haliburton, Ont.

Dear Sir:

The Communication printed in your paper recently that was to explain the removal of the Station Agent in Haliburton to be replaced by an electronic device many miles away, is of great concern to the people of Haliburton County.

Just what was meant by a Customer Blitz?

Who are the customers of a railway may I ask?

Do they not include every citizen, not only those who ship out but those who have goods shipped in as well, and that is the citizens as well as business people.

As this railway is a public utility like the Hydro, and not a private business concern, each and every taxpayer is a shareholder by virtue of paying taxes. Therefore should not the County as a whole have been included in this so called blitz and given the opportunity to have a chance to ask questions as to how the services proposed by the C.N.R. would effect the whole County, rather than a few individuals.

We are already in the position, due to their disregard of our welfare, where we may look at a railroad but not use it as citizens to travel on, although in 1966 the people paid some forty decimal point four millions of dollars to keep this road solvent; indeed this payment in other years has reached up to nearly one hundred million dollars.

We, the travelling public, are forced by their actions to use a bus service privately owned that takes six hours to travel one hundred and thirty-five miles.

May I point out that it was not the citizens of Haliburton County that allowed the railway to let their passenger service up here deteriorate to such an extent that the travelling public could no longer patronize it, or to prepare a time table that was in convenience personified at both ends, and no thought for passenger comfort on the route.

How can we be sure that the assurance is true that "further curtailment of services is not in the offing". They have been playing cat and mouse for years with Haliburton County.

Now they are going to remove all human contact with the County. We have all had sad experiences with business carried on in this way by telephone and letters, and are all aware of the months of waiting until any mistake electronically made by a machine can be rectified.

There are many questions that the citizens up here would like to ask and I think we have a democratic right to have them answered by the officials of that railway.

Would an appeal to the Railway Board in Ottawa by the County Council asking that these officials pay some attention to the real need of this County be in order?

Surely this senior governing body which represents all parts of the County is interested enough in the welfare of the welfare of the people they represent to be deeply concerned.

Are these men sincere in their efforts to induce industry to come, and will it come when public transportation is limited to a school bus programme.

Young people from Toronto can take a ski train to every part of Ontario but Haliburton County; this goes for vacation time also. We who have the cream of these facilities are left to horse and buggy days of transportation and left to fend for ourselves.

Has it become the considered thinking of the C.N.R. that this County must be isolated; most certainly it is doing its best to curtail any further development.

This Railway was given its franchise to open up the country, most certainly not to isolate whole counties. Their job was to encourage the public to use their facilities, not discourage them. When did the Federal Government change the terms of the franchise?

Don't you think we have as much right to this service as rural Quebec? They have not curtailed services there. I have been watching this very closely; they tried to a few years ago but they did not get away with it. Montreal had commuter services for many years but Toronto was always denied them until recently, under the same excuse we get up here, they would not pay. We all know the success of the Go Go trains today out of Toronto; was their excuse valid?

What would happen if through some great emergency there was an exodus of people from the large cities, most would try to come north.

This is not too great a stretch of imagination, sir. We have just learned after the Greenland disaster that bombers carrying lethal loads are training over Canada at all times from the U.S.A. Only Providence saved us this time, and we would be wise to heed the warning involved.

With the transportation facilities the C.N.R. has left us without the people could not get here and we could not get enough supplies to feed them for a week.

Is it not time that our County Council, Municipal Councils and the two Members of Parliament insisted upon a proper show-down with the responsible head of departments of the C.N.R., rather than a limited public relations blitz with a lesser official of the Public Relations Department.

Sincerely yours,
Kay Lumham.

SUGAR AND SPICE
by Bill Smiley

AN OLD FRIEND WRITES

So you think you have troubles with your two or three Rotten Kids? We all have them. Troubles and Rotten Kids, that is. They're inseparable.

I could tell you stories that would make your heart ache, your hair curl. But so could you, doubtless. According to some inane schools of thought, the trouble is that we haven't enough kids. We spoil our one or two rotten and then are astounded at the results.

All we have to do is have a whole raft of kids, and problems would vanish. They'd help with the dishes, maker their beds, and all turn out to be Great Kids.

This is rot. I assure you. And to prove, I'm going to quote some excerpts from a letter received recently from an old and dear friend. She's more dear than old, but I think her remarks will explode that poppycock about large families. She has six boys and a girl and knows whereof.

The letter arrived at the end of January, when she got around to sending out the annual Christmas cards. It was written in starts and fits, over three weeks, whenever she had the strength.

"It is all defeating because there's too much of it. So you're the way out — which is where I would like to be.

"I seem to be in a jaded (greenish?) state where nothing really shakes me any more. I believe if you want to find a real skeptic and-or cynic, look for an old mother of a large family. It's not that I don't care (about all the big and little crises); it's just a kind of numbness that I think must settle in as a preservative. Or else it's low blood pressure.

"Nine p.m. CBC programme reporting comments of English people about Canada. What a bloody superior bunch. I would like to smash them. Excuse writing. Am writing as I quit recover from a general anaesthetic. Nothing serious.

Also my hand is less than agile due to arthritis. It seems to me a poor system where surviving the rigors of existence is penalized by the ills of age.

"Bob decided to take his summer working money (tuition fees) and go off on a self-discovery journey to Europe. Night before sailing he phoned (collect, of course) to say goodbye and told me his girl was going too. I still don't know what her mother thinks or feels. Of course I don't know what I think or feel either.

So then Bill had mononucleosis. This was enough to change his plans about college and he finally decided to go to Europe, too. They are only on a great larking holiday. Was it better when war got rid of this restlessness?

"Tom didn't get his first year at college. Dan is in Grade 11 after a spell at summer school. Jenny is an out-patient having urinary tract X-ray as follow-up to surgery in September.

"I know Bob is in Israel now, working on a Kibbutz for shelter, food and experience but no money. He's working in a banana grove.

"I can tell he is suffering from traveller's ego and thinks himself vastly superior to all who stay at home — especially Tom. Whose reaction was, 'Yippidy-poop. I've seen a banana'. I guess that says it for me too as I take note of his father's aging look.

"My main feeling is irritation with such nonsense, that leaves father still with them on his back. For of course they plan to keep on being college boys too! For another four or five years.

"See you someday. I'm the fat, vaguely familiar-looking one limping along way back there."

Cheer up, dear heart. You wouldn't limp if you had a broken leg. And if you are 'way back there', the band might be playing "The Saints Come Marching In".

Give ...so more will live

WEDDINGS

JORDENS — DETERLING

The Lakeside Baptist Church, Haliburton was the setting on Saturday, December 23, 1967 at 2:00 p.m. for the marriage of Patricia Jane, daughter of Mr. and Mrs. T. E. Deterling of Wilberforce, and Patrick Jordens, son of Mr. and Mrs. Patrick Jordens of Lynn Lake, Manitoba, with the Rev. John Smith officiating.

The bride, given in marriage by her father, looked radiant in a bell-skirted floor-length gown of white brocaded satin made on classically simple lines, with a bracelet-length sleeve fitted front jacket with a single button back closing. Her headpiece consisted of a bouffant six-tier nylon shoulder-length veil with scalloped edges and a cap of pearl petals. She carried a cascade bouquet of American Beauty roses and holly.

Miss Phyllis Deterling, sister of the bride, was maid of honour. Miss Mary Loucks of Haliburton and Miss Susan Mole of Toronto, close friends of the bride, were birdesmaids. The attendants were street-length dresses of brocaded satin, the same style as the bride's. Miss Deterling's and Miss Mole's dresses were cerise while Miss Loucks' dress was emerald green. Their headpieces were wedding band rings made of the same material as their dresses. They each carried a nosegay of candy-striped carnations and holly.

Miss Leisa Dunbar of Uxbridge, niece of the bride, was flower girl. She was attired in a cerise brocaded satin dress with an Empire waist. In her basket were candy-striped carnations and holly.

The bridegroom's attendants were Dan Jordens of Thompson, Manitoba, brother of the groom, as best man, while John and Jim Deterling, brothers of the bride, and Jim Dunbar, brother-in-law of the bride, attended as ushers.

The wedding music was played by Mrs. John Smith.

For the reception, held in the home of the bride's parents, the bride's mother received her guests in a two-piece wool turquoise dress with matching feather hat and black accessories. She wore a corsage of candy-striped carnations and holly.

The bride's going away outfit was of black and blue heather-tone all-wool suit, with a ring collar of European lamb. With the attractive outfit she wore a corsage of pink sweetheart roses.

The newlyweds have taken up residence in Emo, Ontario.

Prior to her marriage the bride was honoured by a miscellaneous shower given by Mrs. R. H. Anderson Jr. and Mrs. Arthur Mather in Wilberforce.

CHURCH NEWS

ST. PAUL'S CHURCH NEWS

Social Service Sunday

The Rev. Frank Lee preached the sermon at St. Paul's Church on Sunday, February 18, a very apt choice for this special Sunday as he is at present on the staff of the Department of Reform Institutions of the Government of Ontario, and is Chaplain of the Kawartha Lakes School. Like many Anglican priests, he has given up the Parish Ministry to devote his time to the problems of the community and is very well equipped to address the congregation on this special Sunday. The Rector and Mr. Lee were at Trinity College together while they were studying for the Ministry. At this service the Rector's Warden, Mr. Douglas McGee, and the People's Warden, Mr. J. O. Jackson, were installed by Mr. Thatcher.

Gift To St. Paul's

A wonderful present was given to St. Paul's Church last week by the Church of St. James the Just, Downsview, Ontario. This was a wand for each of the Wardens; one for the Rector's Warden, topped by a brass Mitre, and the other for the People's Warden, topped by a brass Crown. These will be affixed to the pews normally occupied by the Wardens and their families, and carried by the Wardens on all official occasions in the Church. It was a splendid gesture of Christian fellowship from one congregation to another, and the people of St. Paul's will always remember the people of St. James the Just for their generosity.

Dr. Healey Willan

As a mark of their respect and deep regret at the death of this great musician and composer of Church music in Toronto recently, the congregation of St. Paul's, Minden and St. Stephen's, Boskung sang one of his best known hymn tunes, "St. Osmund", at their services on Sunday, February 18. Although he had lived a very long life his death, so suddenly that he was to have played the organ as usual at the Church of St. Mary Magdalen on Sunday, came as a very great shock to his many friends and admirers all over the world.

Sunday School Awards

At the morning Prayer Service at St. Paul's Church on Sunday, February 11 pins were awarded by the Rector to children who had completed their first year in the Sunday School, and bars to their pins for those who had been attending for two, three, four, five and six years. Owing to sickness many of the students were unable to be present, which was a great disappointment to them and to Mrs. Rose Young, the Sunday School Superintendent. Mr. Thatcher gave the awards to those who were well enough to come to Sunday School last week.

Communion Breakfasts

Many people in the congregation of St. Paul's may not be aware that on the second Sunday of each month, after the 8 a.m. Communion Service, those attending join each other and the Rector downstairs for breakfast, a hearty one of pancakes, sausages, toast, etc. The attendance at these get-togethers has gradually been creeping up, and on Sunday, February 11 there were fourteen or more. Why not make it a habit to meet your friends and neighbours there each second Sunday in the month . . . . there is always plenty of food for all.

Ash Wednesday

There were two services at St. Paul's Church, Minden on Ash Wednesday, February 28. The first was a Holy Communion Service at 9 a.m. and the second was a Penitential Service at 8 p.m.

Instructional Eucharist

Many people have attended services of Holy Communion in the Anglican Church as long as they can remember, and each year in every Parish more people are confirmed and go to this most important of services. Wherever they go, they will see and hear the same form of Holy Communion Service in every Anglican Church. The priest makes the same movements, the prayers are identical, the congregation joins the Clergy and Choir in the same way everywhere. Why does the priest, at each Communion Service from the day he is ordained, follow a rigid pattern into whose intricacies he has been trained? Why do the prayers and supplications come just where they do? What part do the Servers have in helping the priest? When his back is towards the congregation, what exactly is he doing? If you have ever wondered about these things come to St. Paul's at eleven o'clock, or St. Stephen's Boskung at four o'clock on Sunday next, March 3, and it will be explained to you. The Rector intends to have an instructional Eucharist at these services. In his former Parish, the Church of Emmanuel at Richvale, such a service was held, and it was such a success and drew so many favourable comments that he feels that many of his parishioners here might gain a great deal of knowledge and a deeper understanding of the service if it is repeated. To accomplish this, a commentator describes each part of the service as it takes place; Mr. Lloyd Johnson will undertake this task. It is hoped that as many of the younger members of the congregations as possible, as well as the older people, will make an effort to attend this most important service.

Sidesmen's Supper

The Sidesmen of St. Paul's, who were elected at the January Vestry Meeting, are invited to a Pot Luck Supper on Monday, March 4 at 6:30 p.m., together with their wives, or if they are not married and would like to bring along a girl or boy friend please do so. They will all have received their letters from Mr. Earl Hewitt, the Chairman of the Sidesmen, and will know their rota of duties . . . . not too heavy if everyone pulls their weight. Mr. Hewitt is asking for a good turn-out so that everyone may get to know each other, learn what their duties are, and have an enjoyable evening at the same time. Please don't let him down, Particularly The Younger Ones, because there are always gripes about there not being anything to do in the evenings in Minden. Why not use the Church Hall for a few dances, etc.? You don't have to be known as a square if you support your Church.

Anglican Church Women

The A.C.W. held their monthly meeting on Tuesday, February 20, which was chaired in the unavoidable absence of the President, Mrs. Ilia Lytle, by Mrs. Anne Dawson, the Vice President. The ladies decided to hold a Card Party on March 20 at 8 p.m., so please keep that date free on your calendar . . . . go on now, before you forget, put it on your calendar! There will be the usual tables of Bridge, Euchre and Cribbage, good prizes and good food.

World Day Of Prayer

All ladies of the Parish are reminded that the Service for the Women's World Day of Prayer will take place at St. Paul's, Minden on Friday, March 1 at 3:00 p.m. This is an ecumenical service, and it is expected that many ladies from other denominations will be present. Therefore, let all ladies from St. Paul's who can possibly be there form themselves into a friendly welcoming group to their sisters from other Churches, and let everyone who attends this service come away from St. Paul's with a warm feeling of fellowship, or maybe it should be gal-manship with our Church.

• • •

OUR W.M.C.

(Composed for W.M.C. Day)

From our W.M.C. we bring you greeting,
We heartily welcome you to our meeting.
We are a small group of women, but we have a mission,
What we lack in numbers, we make up in ambition.
We meet once a month, to plan and to pray
For those here at home and those far away.
As we tarry together interceding in prayer,
We really feel God's presence there.
And prove His Holy Scriptures true,
That He will answer if we pray through.
We have no bazaars or raffles or sales,
We just leave it with Him and He never fails.
The projects we complete are too numerous to mention,
And to boast of them here is no' my intention.
Just one "Thank You" in a letter from a land far away
Does that 'Cup of water given in His Name' repay.
In Malachi 3:10 is the Promise given,
If we are faithful in tithing, we'll hear from heaven.
And so we prove Him and trul believe it
And are blest until we hardly have room to receive it.
But, we need new recruits, need willing ones too,
Who will take up the TORCH when we are through.
A Christ-centred life is our only 'fee',
Come . . . won't you join our W.M.C.?

Mrs. Rachel Davies

I wish to thank all those who sent flowers and cards of sympathy and other acts of kindness shown me during my recent sad bereavement.
Louise Clark.

IN MEMORIAM

BAGSHAW — In loving memory of a dear husband and father, Thomas Charles Bagshaw, who passed away February 26, 1950.
We do not forget you, nor do we intend,
We think of you often, and will to the end;
When evening shades are falling and we quietly sit alone,
To our heart there comes a longing, if only he could come home.
Days of sadness will come o'er us and many think the wound is healed,
But they little know the sorrow that lies in the heart concealed.
—Ever remembered by loving wife Vera and son Tommy Bagshaw.

BAKER — In loving memory of a dear wife, mother and grandmother, Dorothy Abigail Baker, who passed away February 27, 1933.
Quietly remembered every day,
Sadly missed along life's way;
Just as you were, you will always be,
Treasured in our memory.
—Ever remembered by husband Allison and Family, Olive and Ed, Elsie and Fred, Ruth and Andy, and Russell and Grandchildren.

BARRY — In loving memory of a dear husband, Wilbert Ray, who passed away March 3, 1967.
It is sad to walk the road alone
Instead of side by side,
But to all there comes a time
When the ways of life divide and we must go alone.
But you gave me years of happiness,
Then came sorrow and tears;
And all is left is sweet memories,
I will treasure through the years.
—Sadly missed by his wife Laurena.

BARRY — In loving memory of a dear father and grandfather, Wilbert Barry, who passed away March 3, 1967.
Two tired eyes are sleeping,
Two willing hands are still;
For one who suffered far too much,
Is resting in God's will.
You never said good-bye to us,
For perhaps it's just as well;
We never could have said goodbye,
To one we loved so well.
—Sadly missed by the Family.

HENRY — In loving memory of a dear husband and father, Harry, who passed away February 22, 1965.
We often think of bygone days
When we were all together,
The family chain is broken now
But memories will live forever;
To us he has not gone away,
Nor has he travelled far,
Just entered God's eternal home
And left the gate ajar.
—Sadly missed by wife Bervl and Family, Floyd, Leo, Colleen, Kenneth and Harry Jr.

MINDEN

Mr. and Mrs. Alex Bowan of Little Britain and Mr. and Mrs. Gerald Robinson of Cavan attended the funeral of the late Mr. Albert Carpentier.

Mrs. Harold Hogg had the misfortune to fall on the ice, and suffered a broken wrist.

Sympathy of the community to the family and friends of the late Albert Carpentier, whose funeral was last Saturday.

Mrs. Clare Hobden had as her guests last weekend Mr. Laverne Thomas and Mr. and Mrs. Arbery Harrison and Mr. and Mrs. Lloyd Mongraw and daughter Carlye, all of Peterborough.

We are sorry to report the death of Mrs. Frank Gartshore at the Hyland Crest Home after several weeks of illness. Sincere sympathy goes to the family.

In the Estate of
HARRY ROBERTSON, Deceased

All persons having claims against the estate of the abovementioned Harry Robertson, late of the Township of Anson, in the Provisional County of Haliburton, who died on the 18th day of December 1967, are required to file proof of the same with Annie May Van Winckel, the Executrix of the Estate of the said deceased in care of David M. Bishop, B.A., L.L.B., Box 472, Haliburton, Ontario, on or before the 6th day of April, 1968.

After that date the Executrix will proceed to distribute the estate, having regard only to the claims of which they then shall have had notice.

Dated at Haliburton, Ontario this 1st day of March, A.D. 1968.

DAVID M. BISHOP, B.A., L.L.B.
Haliburton, Ontario
Solicitor for the said Executrix.

Couple Celebrate 50th Anniversary

Mr. and Mrs. George Donovan celebrated their 50th Wedding Anniversary in Toronto last weekend. This couple were married at Winnipeg on February 23, and after his retirement from Arvo at Aurora they moved to take up residence in the Langdon home.

Mr. and Mrs. Donovan have three children, Dr. Ross Donovan of Toronto, Mrs. Bob McBrien of Boskung, and Mrs. Clifford Keene (Marion).

The family enjoyed a dinner at the Ross Donovans on Saturday, February 24. On Sunday afternoon there was an Open House for friends and relatives, and over 70 came to congratulate the happy couple. The bride wore a pale blue lace gown and a corsage of yellow roses, and the groom's boutonniere was the traditional white carnation.

Many good wishes were received, including telegrams from Rod Webb, M.P., Governor General Roland Michener and Prime Minister L. B. Pearson, and cards from near and far. Mr. Donovan also received telephone calls from his two sisters in Regina and his sister-in-law in Sudbury.

The happy couple are in fairly good health, and this village adds our wish for their continued happiness.

HALIBURTON

Mr. and Mrs. Keith Carberry and family of Ottawa were visitors here last week.

Mr. George Mounsteven of Peterborough was a visitor here over the weekend.

Mr. and Mrs. Bruce Henry have returned home following a vacation in Arizona.

Mr. Tom Sanderson was a visitor here over the weekend.

Mr. Brant Phillips of Fenelon Falls was a visitor here on Saturday.

Mr. and Mrs. G. H. Thayer were visitors to Peterborough on Saturday.

Mr. and Mrs. Ken Langdon were weekend visitors to Toronto.

Mr. Vernon Kellett of Trenton was a visitor here over the weekend.

Mr. and Mrs. Phurness Watt of Toronto were visitors here over the weekend.

Mr. Peter Curry returned home this week following a two week vacation in Hawaii.

Mr. Wayne Brown, who is attending Trent University at Peterborough, spent the weekend at his home here.

Mr. Peter Dean, who is teaching school in Sunderland, spent the weekend at his home here.

Mr. and Mrs. Herb McCrea of Bobcaygeon, Mrs. Fred Watson of Don Mills, and Mrs. Ed Johnston and Ross Johnston of Uxbridge were guests at the home of Mr. and Mrs. Russell Johnston over the weekend.

Mr. and Mrs. Bill Killenbeck of Peterborough were visitors here over the weekend.

Mr. and Mrs. Philip Trenton and baby Jason visited friends and relatives here over the weekend.

TORY HILL

Mr. Ross Anderson Jr. attended the Mentally Retarded Regional Meeting in Peterborough last week.

Mr. Gregory Brooking of Bowmanville spent the weekend with Mrs. Stan Brooking.

Mr. and Mrs. Arnold Stamp and children spent Saturday in Peterborough.

Quite a number of the local boys enjoyed a bus trip to Toronto on Sunday to attend a hockey game at Maple Leaf Gardens.

Comment By R. Glen Hodgson, MPP

United Approach To Agricultural Problems In Canada

Ontario's Minister of Agriculture, the Honourable William A. Stewart, has long been a strong advocate of a national agricultural policy for Canada.

He received strong support recently from Mr. T. G. Cole, newly elected president of the Dairy Farmers of Canada. Mr. Cole is directly involved in the creation of a joint secretariat by the dairy farmers and the Canadian Federation of Agriculture.

Mr. Cole stated that there is a great urgency to develop the united approach to agricultural problems in Canada. At present, the dairy farmers are the only national commodity group, and Mr. Cole hopes that they will set the pattern for other major groups in agriculture.

Mr. Cole suggested that a farmer should get the same satisfaction from his work as does a skilled mechanic. He said that many farmers are unable to get this basic satisfaction today; and in addition, they lack a reasonable return on their capital and labour. In many cases they have a higher capital investment than small and medium businessmen — yet farmers are consistently short of labour because of their inability to meet the competition of industry.

Thus a farmer with perhaps $100,000 tied up in capital is forced to work all day in the fields because he is unable to find anyone able to operate his expensive machinery.

Mr. Cole pointed out that the best indication of the seriousness of the income problem is the increasing reluctance of young men raised on a farm, with a knowledge of farming, to take farming as their life's vocation.

Mr. Cole pointed out how farmers have increased their productivity more effectively than any other segment of the Canadian economy; but nevertheless many farmers can only continue to operate through a system of shared labour with their neighbours.

He also pointed out that economists are not particularly helpful to the farmer either. These experts emphasize efficiency to meet world competition, but ignore the fact that Canadian farmers must contend with adverse climatic conditions and a high-cost economy. New Zealand, for example, can produce dairy products more cheaply because farmers can count on 11 months of the year of pasture, and virtually no feed and stabling problem.

By the same token, he suggests, why doesn't Canada import all of its clothes from Hong Kong, all of its shoes from Czechoslovakia, or all of its machinery from eastern Europe.

Mr. Cole indicated also the importance of better communication between all segments of the agricultural industry, and between farmers and the general public.

Re-organization of School Jurisdictions

The Department of Education has released its white paper on the re-organization of school jurisdictions in the Province of Ontario.

The prime objective behind the proposal to establish County Boards of Education is the desire to provide **equality of educational opportunity for every child in the Province of Ontario.**

At the present time, some jurisdictions are able to provide a total school program while others are unable to do this because of insufficient student population, too small a geographic area, too narrow a tax base, etc. It is in order to overcome these difficulties and to provide the opportunity for each child to attain his maximum potential, that the changes have been planned.

Sound planning is becoming an increasingly important aspect of educational development. The new boards will be capable of meeting this requirement because they will have the organization to secure the information, data, statistics and other knowledge which form the basis for sound decision-making at the policy level.

Another important feature is the provision for an equitable distribution of educational costs which the larger units make possible. At present, the numerous and extreme variations in local tax support for education require a complex, highly sophisticated grants structure. Within the new school divisions, the local cost of education will be supported by a broader tax base of reasonable stability and predictability, thus reducing many of the variations in the local unit. This will permit revision of the grants structure to provide more adequately for such variations among the larger units that may still exist in terms of financial ability to support a total educational program.

Hyland Crest Auxiliary Meeting

The newly elected President, Mrs. Elsie Bursey, was in the chair to conduct the first meeting of the year of the Hyland Crest Auxiliary.

After prayer, the Secretary, Mrs. Collacut, read the minutes. The Treasurer, Mrs. Flo Dollo, reported monies on hand amounting to $587.92.

Mrs. Lil Stevens, in charge of the Tuck Shop, reported that two residents of the Home are assisting in the Tuck Shop.

The residents are asked to save all their used stamps, which will be sent to the Leprosy Mission.

Mrs. Frances Krick has received 21 memberships.

Don't forget to let the Auxiliary know if you and two or three of your friends would like to serve afternoon tea to the residents.

The Entertainment Convenor, Mrs. Coburn, has many interesting events lined up for the near future. Maple Lake Anglican Junior Choir will be at the Home on March 1 at 7:30; Bill Gliddon will be bringing his Public School Choir; and on March 13 a St. Patrick's Card Party will be held in the Auditorium. Watch for further announcements in the County Echo. Convenor for the Card Party is Carrie Vasey. I am sure your help would be appreciated.

Numerous items of business were discussed. It was decided to purchase some full length mirrors, also a filing cabinet for Auxiliary records. Plans are being made for a showcase to display craft articles.

The Auxiliary was sorry to receive the resignations of Jeanne Sears and Irene Moore, who have held Bingos every Tuesday for the residents. Their work in this service has been greatly appreciated by the residents, and the Executive of the Auxiliary wishes to thank them most sincerely.

The next meeting on March 12 will be a work meeting to prepare for the Card Party.

Mrs. Bursey ended the meeting by showing slides of the Home, starting from the day the cornerstone was laid up to the Christmas Party of 1967.

Water And Sewage Projects Involve Record Spending

A record $174.4 million was earmarked last year for municipal sewage and water works construction in Ontario, according to figures just released by the Ontario Water Resources Commission.

Value of O.W.R.C. certificates of approval, which must be obtained before such projects are built, reached $128.9 million for sewage and $45.5 million for water works in 1967.

The previous high in the Commission's 11-year history occurred in 1966, when certificates were issued totalling $152.9 million for sewage and water projects.

The $128.9 million for sewage works in 1967 also was a record for this period, compared to $106.7 million spent in 1966.

By the end of 1967, the total value of municipal certificates issued by the O.W.R.C. was approximately $1.4 billion.

Tuberculosis & Health Assn. Meeting

The regular monthly meeting of the Haliburton County Tuberculosis & Health Association was held on Monday, February 5, 1968 at the Haliburton United Church Hall at 8 p.m., with a fine turn out of members.

The President, Mr. M. P. Waddell, was in the chair and opened the meeting by reading the report given by Dr. S. A. Holling at the OTA Regional Meeting on "A Respiratory Disease Unit In An University Teaching Hospital"

The minutes of the January meeting were read by the Secretary and adoption was moved by Mrs. G. V. McManus, seconded by Mr. John Dobbie.

Mr. J. Rea Stinson reported that the Minden Clinic was steady and smooth flowing, and the hospitality of Rev. and Mrs. K. Thatcher was very much appreciated. It was agreed that we contact Dr. R. J. Koval, M.O.H., requesting his permission to send letters to Food Handlers, Barbers, etc. in the Minden area suggesting they have annual Chest X-rays.

Mrs. M. P. Waddell, Christmas Seal Chairman, read the Christmas Seal Echo which showed Haliburton County in a very favourable position on the campaign. The highlights of the Christmas Seal Workshop held in Toronto were given.

Mrs. B. Howe, Health Education Chairman, passed the following for inspection: "A Handbook For Programs In Respiratory Diseases", "TB And Not TB", "Health Education Notes" and NTA Bulletin.

For Social Service and Rehabilitation Mrs. D. B. Hartle informed the members that Mrs. Grace McKay, Nurse in charge of Minden Red Cross Hospital, gratefully accepted the oxygen guage purchased by the Association, with the stipulation that this would be available for emergencies.

Mrs. G. V. McManus, Publicity Chairman, stated that the minutes, Letters to the Editors and articles have appeared in both papers. "Accentuate the Positive", "When The Bridge Falls", and "When Our Lungs Stay Stretched" are to be submitted.

Mr. W. J. Rea Stinson requested that OTA be approached on the loan of the film "To Clear The Air" on pollution for showing to the Rotary Clubs.

Dr. Floris E. King, Field Programme Director and Nursing Consultant of the Canadian Tuberculosis Association, will be our speaker at the Association's Annual Meeting and Dinner to be held at the Haliburton United Church Hall on Tuesday, April 30, 1968.

A nominating committee was appointed of Mrs. B. Howe and Mr. John Dobbie. These people are to present their report at the March meeting.

Mrs. G. V. McManus, OTA Representative, gave a very comprehensive report on the OTA Semi-Annual Meeting held in Toronto on January 27, 1968.

Moved by Mrs. M. P. Waddell and seconded by Mrs. G. V. McManus that the outstanding accounts be paid.

A motion to adjourn was made by Mrs. D. B. Hartle, seconded by Mr. John Dobbie.

Our hostess for the evening, Mrs. B. Howe, provided delicious refreshments and was ably thanked by Mr. W. J. Rea Stinson.

Practical Christianity

Jesus became poor, why? That through his poverty ye might be rich. He was rich yet he had not exactly riches, his home was not an earthly one.

He dwelt in the presence of His Father and the angels of God, yet He laid aside His eternal home, wealth and His communion with His Father and became poor. Here is unfathomable love.

True we cannot sometimes understand the great sacrifice of Calvary, we cannot grasp with human comprehension the full measure of God's love. But we are privileged people to believe in Christ Jesus and to accept God's gift of eternal life.

Would a rich man or woman give up a beautiful home and its blessings and fellowship to become poor? If that home was a place of love and comfort, it would be the most blessed place on earth. Yet Jesus gave up so much more for you and I. Have little we give up for Him!

We know when God's Word is made real in our hearts and lives that we respond to His love and are made fruitful.

Many people today do not understand why a Christian will lay aside earthly pleasures to follow the Lord Jesus Christ. The answer is simple when we realize He gave all for us at Calvary. His death and resurrection has made us rich through His atoning work and that we might become the sons of God.

Why not accept the gift of Salvation in Jesus Christ our Lord?

"For ye know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes He became poor, that ye through His poverty might be rich" II Cor. 8:9.

Comment By R. Glen Hodgson, MPP

Opening of the First Session Of Ontario's 28th Legislature

At 3.00 p.m. Wednesday, February 14 Ontario's Legislature was launched into its second century by Lieutenant-Governor Earl W. Rowe.

The traditional opening ceremonies were carried off with the usual precision under overcast skies, a temperature hovering around zero, and a chilly west wind.

The Guard of Honour was provided by detachments from the Queen's Own Rifles and the Royal Regiment of Canada, while the guns of Toronto's own 7th Regiment. Royal Regiment of Canadian Artillery, fired the royal salute.

While the ceremony was unchanged from previous years, inside the Legislature there was ample evidence that this was not only a new session but a new and larger Parliament.

Nine new seats have been added to accommodate the 117 Members and the seating plan rearranged to provide for the increase in the ranks of the Liberal and the N.D.P. parties. Party standings in this new house are: P.C. 69, Liberal 28, and N.D.P. 20.

A new Speaker was elected — the Honourable Fred Cass, M.P.P. from Grenville-Dundas. He will be assisted throughout this session by Mr. Allan Reuter from Waterloo South, who will serve as Deputy Speaker and Chairman of the Committee of the Whole House.

Within the Government Party Caucus there have been further changes with Leonard M. Reilly, M.P.P. for Eglinton replacing John White, M.P.P. from London South, as the Chief Government Whip.

Two new Government Whips have been appointed to assist Mr. Reilly — Mr. Alex Carruthers, M.P.P. from Durham, and Mr. Glen Hodgson, M.P.P. from Victoria-Haliburton.

Mr. Carruthers will be primarily responsible for the organization of the Legislature's Standing Committees, for scheduling their meetings, and for insuring adequate representation by Government Party Members at all meetings.

Mr. Hodgson will serve as Chairman of the Government Party Caucus, and will assist the Chief Whip with the procedure and the conduct of the daily sessions in the House.

All the evidence points to a lively and challenging session with each of the opposition parties vying with one another in their efforts to embarrass the Government.

Highlights From The Throne Speech

The following is a list of the legislation proposed in the Speech from the Throne:

(a) The Government recognizes the existence of two linguistic communities and many cultures within Canada, and appreciates that this diversity is the source of much of our strength and the enrichment of our life;

(b) The Government is committed to the assurance of full and equal citizenship for all residents of Canada, regardless of their national or linguistic origin;

(c) The Government plans to initiate a new series of conferences throughout Ontario to foster interest in community affairs, and to improve communication between newly-arrived immigrants and established residents of the Province;

(d) The Government will present to the House a full report on matters related to the future constitutional development of Canada;

(e) The Government is prepared to consider constitutional change, distribution of powers, and the nature of our federal institutions, the proposed Charter of Human Rights, and to ensure, where practical, the linguistic equality of French-speaking residents of Ontario. The Government will propose that any Member of the House shall have the formally-recognized right to address the Legislature in either English or French;

(f) Programs will be accelerated to improve the purity of the air we breathe, the water we [illegible], and the efficient multi-purpose use of our land;

(g) The Government will provide financial relief to our municipalities and to individuals who pay real estate taxes;

(h) The Government has undertaken a systematic and staged reform of the taxation and revenue system of the Province of Ontario, its municipalities and school boards. Proposals will be made for a basic shelter grant and for the assumption by the province of the cost of the administration of justice;

(i) Legislation will be introduced to provide for the organization of a system of regional government in the Ottawa-Carleton area;

(j) The Government will introduce legislation to provide for the establishment of larger units of school administration, so that all of the children of Ontario will have equal opportunity to develop their maximum potential;

(k) French language secondary schools, within the framework of the public education system, will be provided in those areas of the provinces in which there are sufficient French-speaking students to warrant such schools;

(l) The Royal Ontario Museum will be established under an independent Board of Directors;

(m) Legislation will be introduced to ensure that owners of property which must be acquired in the public interest will be dealt with fairly and will receive compensation on a reasonable and equitable basis;

(n) The Workmen's Compensation Act will be amended to provide appropriate levels of benefits and allowances paid under this Act;

(o) The Government will further increase its efforts to reduce injuries and fatalities in employment;

(p) New Labour Standards legislation will be introduced to assist in the production of the work force;

(q) Benefits under the Hospital Services plan will be expanded to include essential ambulance services. Air ambulance facilities will be developed to sparsely populated areas of Northern Ontario;

(r) Benefits under OMSIP will be expanded to include the examination of eyes by refraction when carried out by a physician or an optometrist;

(s) The Health Services program will be further extended through an arrangement to reduce the cost of prescription drugs and drugs used in hospitals and welfare institutions;

(t) A vigorous program to further maintain adequate levels of food produced by Ontario's Agricultural industry will be initiated. Special legislation will be introduced to strengthen the position in the market place of beef producers;

(u) Legislation will be introduced on the basis of the recommendations of the Select Committees which dealt with Youth, Aging, Company Law and Conservation Authorities;

(v) An Ontario Roads to Resources program will be initiated based on the resources of forestry, mining, fish and wildlife, tourism and the requirements of the residents of Northern Ontario;

(w) The municipalities of Northern Ontario may be assisted financially in acquiring and developing airports and airstrips;

(x) An impressive program of highway improvement and expansion in all areas of Ontario is planned, and will include the start of Highway 417 to connect Ottawa with a new Quebec freeway;

(y) Legislation will be introduced dealing with the operation of insurance companies and loan and trust corporations;

(z) Consumer protection legislation will be extended on the basis of the operational experience of the Consumer Protection Bureau;

(aa) Magistrates and Juvenile and Family Courts will be given the status of Provincial Courts. Legislation will provide for the appointment of provincial Judges to preside in these courts;

(bb) Two distinct departments will replace the present Department of Treasury. A Department of Finance and Economics will provide a unified organization to deal with economics, financial, fiscal and taxation policy and federal/provincial affairs. A Department of Provincial Revenue will carry out the responsibility for administering all tax statutes and the collection of all revenues;

(cc) A Central Purchasing Authority will be established within the Department of Public Works to assure greater economy and efficiency in the procurement of goods and services;

(dd) A master plan will be developed for tourism and outdoor recreation in Ontario.

CARNARVON

The Fellowship Group of the U.C.W. held a Games Night on Tuesday at the Christian Education Building; we would like to see more people out to the next one,

Weekend guests of the Alex Hewitts were Mr. and Mrs. Wilf Hewitt and children of Oshawa.

Mr. and Mrs. Jack Gregory have returned from Ottawa where they had spent the winter.

The Afternoon Group of the U.C.W. met at the home of Mrs. Bert Harrison on Thursday afternoon.

Miss Barbara Barnes and Kenneth McKay have returned to the city after vacations spent at their homes.

Mr. and Mrs. Ross Hussey of Toronto spent Sunday with Mrs. Hussey.

Mr. and Mrs. Hal Burton are spending a few days in Hamilton with the Roger Harrisons.

Mrs. Sinclair Russell is in Toronto for a few days.

Young people home for the weekend were Miss Clorinda Muscio, Don Archer and Ross Packard, all of Toronto.

Miss Nancy Cross had the misfortune to slip at school, and suffered a broken nose.

Weekend guests of the Medleys were Mr. and Mrs. John Atkins and Mrs. Atkins Sr. of Burlington.

Library Meeting

(Continued from Page One)

have eight branches and yet lack population as a basis for high revenue. We have great distances between libraries and lack of funds sufficient to meet our per person costs. No grant equals a discouragement grant; A letter be duplicated for distribution to Regional Board members at its February meeting. Carried.

Moved and seconded that the Board hire Mrs. Helen Leighton as our Dysart Branch Librarian as of February 13, with the understanding that the first three months are probationary in nature. Carried.

Moved and seconded that our librarian be authorized to pay our branch librarians for up to six hours per week on the basis of hours open with the exception of Minden and Dysart being open up to 15 hours per week. (This is left to the discretion of local committees.) Carried.

Moved and seconded that the budget submitted to County Council on January 1968 be accepted as a guideline for 1968 and that Mr. McNeill be authorized to implement this budget. Carried.

Moved and seconded that during 1968 our Board meet on the first Thursday of each month, with the exception of July and August. Carried.

Moved and seconded that cheques nos. 672 to 739 and nos. 1 to 27 inclusive totalling $3,132.46 be approved as expenditures of the Board. Carried.

The Chairman declared the meeting adjourned.

First Aid Team Wins Competition

On Friday, February 23 the Lindsay District First Aid Team culminated long hours of training by winning the South-Eastern Region First Aid Competition. The team of G. A. Gostlin, W. P. Barber and J. K. Sinclair, under the leadership of Deputy Chief Ranger S. Shields of Haliburton were successful in defeating teams from Tweed and Pembroke Districts by a narrow margin, as competition was of an exacting and precise calibre.

The Lindsay team now meets the winner of the South-Western Region and, if successful, Lindsay will represent Southern Ontario in the Province of Ontario finals to be conducted at Sudbury.

The best of wishes of the District Staff goes with the team.
